Townsend Mutual Officially Opens Their New Location To The Public

It's been a long road planning and renovating, but it's finally here! Townsend Mutual Insurance will open its new location at 780 Old Highway 24, in Waterford (prior Blazin' Burgers & Country Coffee building) on Saturday, October 17, at 11:00 am (before the Pumpkinfest Parade). There will be a Ribbon Cutting Ceremony as well as an Open House, following the ceremony, until 4:00 pm. Also included in the festivities will be Scholarship Awards and a sizable Cheque Presentation to the Norfolk General Hospital Foundation. This event will be the public's opportunity to view the new office space, enjoy refreshments, mingle, and be part of history in Norfolk County!

CEO & General Manager, Neil Shay says, "Pumpkinfest weekend in Waterford is the perfect time to invite our policyholders, colleagues, and members of the public. This weekend has such a history in our community, just like Townsend Mutual." From operating in various locations throughout the community since 1879, Townsend can finally call their own building "home." Townsend Mutual is here to stay, as a cornerstone in Waterford.

Be part of Norfolk County history, on Saturday, October 17, at 11:00 pm, as Townsend Mutual cuts the ribbons and opens its doors to the public for the first time.
